How to use the learning experiences

The learning experiences are Adobe PDFs and you will not be able to edit or save them in your web browser. They are available for download to a location on your computer, cloud storage or removable storage device. Once downloaded, you will be able to fill in the PDFs in the relevant sections.

Step 1.

Download the learning experience to a location on your computer, cloud storage or removable storage by right clicking on the link and (depending on the browser you are using) ....

- Microsoft Internet Explorer or Edge: Save target as ...
- Chrome: Save link as …
- FireFox: Save Link As …
- Safari: Download Linked File As ...

Step 2.

Once you have downloaded the learning experience you can view and edit it with Adobe Acrobat only. You can download Adobe Acrobat by clicking the link here: www.adobe.com/reader
